Recycled Love Dog Rescue, Inc. appreciates your interest in our dog(s). Our ultimate goal is to find a perfect match in a family and home for our dogs and for you. A PERFECT MATCH is placing our dogs in a happy, positive forever home, where you, the adopter, will discover the unconditional love of a dog and provide a healthy, safe, secure and loving environment where all the dogs needs will be met for the lifetime of the dog. Our dog(s) will become part of your family and able to live out the remaining years of its life with your family, transfers are not permitted without prior approval by our rescue. Our dogs are only adopted to homes where dogs will be primarily INDOOR DOGS with outside access and exercised regularly in some form or fashion, we highly recommend daily walks. You must be able to care for the dog, financially, physically, mentally and/or medically whenever and where ever may be necessary and/or provided. Some dogs require additional potty training when they change environments, you must be willing to work thru the adjustment phase and work with the dog if necessary. Our Trainer is available via phone, text at no charge and appointments at a low cost to meet any needs with behavior issues.
