A PERFECT MATCH is placing our dogs in a happy, positive forever home, where you, the adopter, will find the unconditional love of a pet and provide a healthy, safe, secure and loving environment. Where the dog is a part of your family and able to live out the remaining years of its life with your family. Our dogs are only adopted to homes where dogs will be primarily INDOOR DOGS and exercised regularly in some form or fashion, we highly recommend daily walks. You must be able to care for the dog, financially, physically, mentally and/or medically whenever and where ever may be necessary and/or provided.
